

INFORMATION

(regarding privacy according to GDPR – EU Regulation no. 679/2016)

We hereby inform you that the IntelliVita ETS Association, hereinafter simply referred to as the Association, with registered office in Bressanone (BZ), Via Otto Von Guggenberg 28, tax code 92080770214, e-mail info@intellivitahub.com, as Data Controller and Processor, will process your personal, identification, and demographic data pursuant to Article 13 of the GDPR, with the methods and precautions indicated below:

1) Parties involved in the processing.

Data Subject – The person who provides their personal data and to whom this information notice is addressed;

Data Controller – IntelliVita ETS Association that collects the data and processes, stores, or transmits it;

Data Processor – The person possibly assigned to the processing;

Third Party receiving the data – The person to whom the data is provided by the Association.

2) Methods of Processing

The collection and processing of your personal data will take place after your consent. The processing may also occur with the aid of paper, electronic, IT, or web means for the operations indicated in Article 4 of the Code and Article 4, no. 2 of the GDPR, such as: recording, organization, consultation, processing, modification, extraction, use, communication, deletion.

3) Purpose of processing.

The processing, following your consent, is aimed at managing your application for admission as a Member of the Association as provided for by the Entity's Statute, and for participation in the proposed activities. Communications related to the management of membership, including communications for activities carried out with the Association, will be sent to the email address you provide during the application process.

4) Obligation to provide data

Providing the data is necessary and mandatory for the aforementioned purposes, and refusal will result in the inability to join the Association.

5) Data Communication

The data provided by you will be processed by us for the stated processing purposes and for institutional purposes resulting from membership. Furthermore, the data itself, upon request, will be communicated to Public Administrations for legal purposes.

6) Location and methods of data retention

Personal data is stored by the Data Controller on paper and/or on IT servers, typically located within the European Community. Upon request from the data subject, regarding that specific date, the storage addresses will be communicated.

7) Data retention period

Your data will be stored for the period provided by current legislation. After this period, they will be destroyed.

8) Rights of the Data Subject

With a specific request, to be sent to the Association, Data Controller, via registered mail or email, you may know your personal data held by the Entity, request its modification, rectification, or destruction. Furthermore, you may complete it, update it, or request a copy. Any requests for paper copies not collected at the Entity's headquarters will be subject to a shipping cost contribution. You may also, using the same methods, withdraw consent, object to the processing of all or part of the data, or request its transfer to third parties indicated by you. You may file complaints with the Data Protection Authority if you believe your rights have been violated.

9) Control Methods

Functional security controls will be implemented in the IT and web environment through:

- Access control and traceability through IDs and Passwords of different levels;
- Processing encryption with identification and partitioning of processes;
- Malware protection system;
- Minimization of processed data.

Physical security controls will be prepared through:

- Storage of paper documents in protected places accessible only to authorized personnel;
- Storage of physical server media in a protected place and Data Backup;
- Stipulation of accurate contracts regarding the processing of personal data.

Organizational controls will be prepared through specific training of personnel who have access to personal data.

CONSENT TO THE PROCESSING OF PERSONAL DATA

The undersigned _____ having read the preceding information, consents to the processing of their personal data in the manner and for the purposes described in the preceding information.
